National Youth Leadership Programme (NYLP)

What Is This Internship?

Real-world digital communication and leadership experience

A two-month online internship under the Global Summit on Digital Literacy & Leadership 2026.

Built for active LinkedIn users and emerging young leaders. It runs entirely online and ends with the Summit itself.

2 months, fully online

8 weekly tasks

Digital Literacy

Content creation, digital communication and responsible online engagement

Youth Leadership

Ownership and initiative through real programme responsibilities

Global Outreach

Reach universities, organizations, youth networks and companies worldwide

Summit Awareness

Drive visibility and participation for the Summit, 13–17 October 2026

Roles & Responsibilities

As a Digital Ambassador, you represent the programme publicly

01

Promote official Summit content across your channels

02

Create awareness of the Summit across your personal and professional network

03

Engage professionally on LinkedIn: comments, shares and discussions

04

Conduct outreach to universities, organizations, youth networks and companies

05

Represent yourself and your organization professionally at all times

06

Submit weekly work and evidence of completed tasks on schedule

Reminder: everything you post reflects on you and on the programme. Be professional, accurate and consistent.

The Weekly Cycle

The same five steps, every week

1

Receive

the weekly task brief

2

Complete

the assigned weekly work

3

Submit

evidence of completion

4

Monitored

submission is monitored and evaluated

5

Recognized

consistent performance leads to final recognition

Task Roadmap: 8 Weekly Tasks

Detailed instructions for each task are shared before it begins

01 CURRENT

Outreach & Engagement Database

02

Digital Literacy Awareness & Content Campaign

03

LinkedIn Engagement & Summit Promotion

04

Collaboration & Cross-Promotion

05

Content Performance & Analytics

06

Strategic Outreach & Community Building

07

Digital Campaign & Impact Project

08

Final Impact Report & Presentation

Task 01: Outreach & Engagement Database

Current task

OBJECTIVE

Build a structured outreach and engagement database to support Summit promotion.

Cover:

- Universities
- Organizations
- Youth networks
- Companies

What counts as a good entry

- Real, verifiable organizations, with no duplicates
- Complete details in every required column
- Relevant to youth, education or digital literacy

Monitoring & Evaluation

Every ambassador is tracked across six dimensions

Task Completion

All tasks submitted on time

Quality

Accuracy, professionalism and presentation of work

Consistency

Sustained effort week after week

Engagement

Genuine activity and interaction on LinkedIn

Initiative

Ideas, creativity and going beyond the brief

Reporting / Evidence

Clear, verifiable weekly submissions

M&E evaluation is official programme policy: performance is graded A, B or C.

Grading & Recognition

Grades reflect overall performance across tasks, evidence, engagement and consistency

A

Outstanding performance across all M&E dimensions

B

Solid, reliable performance meeting programme expectations

C

Baseline completion of programme requirements

Note: only grading criteria approved by programme leadership are official. Any percentage thresholds will be communicated separately, if and when approved.

Benefits & Recognition

What ambassadors take away from the programme

International Certificate of Ambassadorship

Official recognition of participation and contribution

Letter of Recommendation

Awarded to top performers for outstanding work

Global Network Access

The NYLP + IHRC-RFT + Gravitas global network

Professional Exposure

Real outreach, LinkedIn engagement and campaign experience

Welcome aboard, Digital Ambassadors!

Task 01 instructions and the submission link will be shared right after orientation.

Check LinkedIn and the programme group for weekly task briefs.

National Youth Leadership Programme (NYLP) × IHRC-RFT Geneva × Gravitas Silicon Valley
